3rd March 2023

Dear Parents\ Carers,

RE: Attendance Awareness Week: 27th – 31st March 2023

We would like to thank both pupils and parents/ carers who continually cooperate and maintain excellent attendance. Unfortunately, our whole school attendance level for the academic year to date is 92% which is below our target of 97%.

We know that there are various reasons for school absences, including illness. However, persistent absence will negatively impact a child's academic attainment. Did you know that missing 10% of the work covered in class puts a student in academic danger?

We would like to work together to improve the attendance of the whole school and each child by having an Attendance Awareness Week. This will take place from Monday 27th March until Friday 31st March 2023. The aim of this week is raising awareness regarding punctuality and attendance and improving attendance. We hope to reach our attendance target of 97% that week.

The following activities will take place during Attendance Awareness Week:

- You and your child are invited to book one complimentary breakfast club taster session to see what is on offer (07. 30-8.30am). Spots are limited and will be allocated on a first come, first served basis.
- We will be sending out daily text messages congratulating the class with the best attendance/punctuality. Please give your child lots of encouragement.
- We will be providing information on the importance of excellent attendance and punctuality on the website.
- Every child will be given a card to record their daily attendance/punctuality
- Introduction to late card: when the gate is locked, your child will be given a card when he/she comes through the office entrance so that it can be given to the class teacher.
- Special incentives will be given to classes and children with excellent results.

****To book a complimentary breakfast club taster session** please book online or speak to office staff/Rose.

Yours Sincerely

Head Teacher
