## Randal Cremer Fundraising:

TXT Santa = £53.50

Poppy Appeal = £68.00

Unicef = £295.00

Well done Randal Cremer for raising funds for those less fortunate than ourselves.

We are sad to have to say goodbye to Natasha Barrett who will be leaving Randal Cremer at the end of the half term. We are grateful for all that Natasha has done for the school and she will be sorely missed. We all wish her the very best in her new job.

## February 8th is Chinese New Year.

It is the year of the Monkey.  
Don't forget to ask your children what they have learnt about it during the week.

Please **do not** park on the double yellow lines or yellow zig zags. We have to take the children's safety into account.

We also would appreciate it if parents and carers would not smoke in or around the school gates.

## ATTENDANCE

Regular school attendance is essential to improve the educational outcomes of our children. For the past 2 years the Department of Education (DfE) have said that pupils with school attendance below 85% are at risk of becoming a persistent absentee.

85% = 28.5 days of lost learning each academic year

From September 2015, this threshold is being increased to 90%. Therefore pupils with attendance each half term below 90% will be classed as a persistent absentee. Any absence including illness, medical appointments, term time leave, punctuality and unauthorised absence will affect your child's attendance rate.

90% = 19 days of lost learning each academic year

We monitor all children's attendance as do the Local Authority. We want to celebrate our success stories as well as help those children with lower attendance rates. If your child's attendance is above our target we celebrate this through class attendance awards and also through individual prizes for those children with 100% attendance. If your child's attendance becomes a cause of concern, then a referral may be made to our Attendance Officer for consideration about how to improve your child's attendance rate.

Like you, we want the very best for all our children; we hope, therefore, that you will support us in ensuring your child attends school every day and on time, in order for them to access the education they are entitled to and to enable them to reach their full potential.

Yours sincerely  
Romala Schwartz  
Assistant headteacher of Inclusion

Please pay school dinner money on a Monday or Friday at the school office. If possible please bring the correct change to help speed up the process, that would be gratefully appreciated.

Please visit our website for up to date events and information.
