Safeguarding.

At Randal Cremer we are committed to ensuring your child is safe both in and out of school. If we have any concerns about your child we will talk to parents and carers to find out how we can help. Occasionally a child will make a disclosure in school which will need to be reported to Social Care for further advice. They will then advise us of the action that needs to be taken. If you have concerns about your own or other people's children you can discuss it with Jo or Odella (designated Child Protection Officers for the school) who will advise you of what you should do or you can ring the advice line directly on 02083565500. You can also contact Childline if you have any worries about a child on 080011111.

Let's work together to keep our children safe.
