Summer Term : 2017

Dear Parents / Carers

Every school day matters

Congratulation to all the children and support from their family for the improvement in whole school attendance in the first half of the summer term.

Is your child in school today?

Parents must make sure their children get the right education to meet their needs. Being absent from school means your child will lose an opportunity to learn.

What happens if my child cannot attend?

If your child is genuinely unwell this will be treated as an **authorised absence** i.e. the school has accepted the reason for non-attendance and nothing further will happen. Where a child's attendance is persistently affected by illness you may be asked to provide medical evidence. There are other circumstances where a child may be unable to attend school e.g. a family emergency or religious observance. When this occurs you must inform the school as soon as possible. Birthdays, shopping trips, looking after brothers and sisters, outings, visiting relatives, lack of school uniform or translating are not acceptable reasons for absence and will be **unauthorised**.

How can you help?

- Make sure your child goes to school regularly and arrives on time each day.
- Make sure you know the school's attendance policy
- If your child misses school, make contact and work with the school staff to improve the situation.
- If your child is ill contact the school on the first day of absence and explain the circumstances.

Did you know?

- 15mins late each day means 10 days lost to school each year!
- A two week holiday in term time means that the highest attendance a child can achieve is 94.7%
- 90% attendance is the equivalent to missing four whole weeks in the school year.
- Did you know the greater the attendance, the greater the achievement

Holiday!

will not be authorised in term time!
