Spring Term: March 2017

Dear Parents / Carers

Every school day matters

Good attendance at school is linked to academic success, we are therefore asking for all parents/carers support in ensuring that pupils achieve the highest possible attendance. You can do this by bringing your child to school EVERY DAY unless your child is too ill to attend. We have dedicated members of staff that support families who experience difficulties in ensuring their child's full attendance.

Romala is sadly leaving us this term and has worked extremely hard on the attendance of the school.

Taking holiday during term time

The cost of going away during school holidays is expensive, so we understand how tempting it is to take your child out of school during term time. However, time off during term time not only affects your child's friendships and sense of belonging, but also their academic progress. Absences during term time will result in your child falling behind. This can negatively affect your child's confidence and learning

Most of our parents do not take family holidays in term time as they recognise the significant impact this can have on their child's education. We hope you will all continue to support us in reducing the amount of school missed due to unauthorised absence by not planning your family holiday during valuable learning time.

Tips to help your child get to school on time!

- ✧ Make sure your child understands why school is important
- ✧ Show your child that you are interested in what they have done at school
- ✧ Get everything ready the night before school
- ✧ Arrange appointments before or after school or during the schools holidays
- ✧ Set your alarm and your child's alarm clock. See who can beat the clock!
- ✧ Join breakfast club
- ✧ Catch an earlier bus or set off a little bit earlier if you walk
